

CHANNEL MANAGER

Channel Manager is a unique accountancy plug-in solution designed exclusively for **ChannelAdvisor** customers wishing to impose **financial control** over their trading activities. Designed as middleware, Channel Manager acts as an automated bookkeeping tool, downloading orders from ChannelAdvisor's multiple sale platforms into **Sage accountancy solutions**.

FEATURES

- Imports orders from ChannelAdvisor
- **In Sage accounts solutions:**
 - Creates customer records for every buyer
 - Calculates and applies correct VAT liability for each transaction
 - Creates invoices/orders for each transaction
 - Creates sales receipt in bank module upon invoice update
 - Automates stock control
 - Combines multiple purchases as single invoice
- Provides at a glance 'trading dashboard'
- Creates sales analysis, graphs and reports
- Exports customisable CSV files
- Automates stock control
- Exports buyer and transaction details to Microsoft Excel
- Creates buyer details as contacts in Microsoft Outlook
- Generates address labels

BENEFITS

- Saves money for retailers
- Dramatically reduces data entry time
- Streamlines post-sales administration
- 100% accurate
- Enables business growth

SYSTEM REQUIREMENTS

- Sage 50 edition compatible with Sage v11, v12, 2007, 2008 and 2009
- Sage 200 edition compatible with Sage 200 v5.1
- Compatible with Windows XP Pro and Vista (not Home edition)

Channel Manager is also available for Sage 200. Please contact Tradebox for further details.

Pricing based upon number of **Account Keys** issued by ChannelAdvisor. See website for full details.
